

# *LOWBIC Success Story: Inteleck*

**Aaron Affleck, Owner**

## **1. What is Inteleck?**

Inteleck offers an outstanding suite of Internet services to meet even the most demanding business requests. We pride ourselves on providing excellent customer service and project management through clear and direct communication. Our goal is to understand your business needs, provide an elegant solution and foster a relationship that allows you to realize your business goals.

Please see my website for more info: [www.inteleck.com](http://www.inteleck.com)

## **2. How long have you been in business?**

We've been in business for 4 years now.

## **3. How did you hear about LOWBIC/why did you decide to use LOWBIC's services?**

I've been aware of LOWBIC and LOWBIC's services for many years. I stay up to date on business happenings in Kenora and the surrounding cities. LOWBIC provides a means to programs and funding that would otherwise not be available to me. Working one-on-one with a business advisor is a huge asset to me and my business.

## **4. What LOWBIC service did you find most helpful?**

The secured line of credit financing and Internship program.

## **5. What piece of advice would you give to someone just starting out?**

If you are passionate about what you do and put that energy into the work you provide, then you will always wake up each morning with a renewed drive for your work and the potential for greater success in your business.

To help get our clients get started with the Website Development process, either new or re-design, we provide free consultations and suggestions for improvement to help deliver a better return on their investment. We specialize in Social Media Marketing, e-commerce and data management.
