choose a shirt

choose a design

Jade Lorimer, Owner

Tangled Tree Framing and Gifts has expanded!

“Tangled Tees creates custom t-shirts for tourists and locals. Customers choose a shirt or sweatshirt, then choose a Lake of the Woods logo or their own custom design. It gets printed onto the shirt, using heat transfer vinyl, which allows us to make one shirt at a time!

Thanks to help from LOWBIC in the form of a consolidation loan, we were able to purchase equipment to expand into custom shirt printing.” - Jade
